2021-2023

An amateur photographer who tries to explore different aspects of photography. Loves to capture moments and people.

-SIDHARTH

2021-2023

CAPTURED PHOTOGRAPHS

The strip - Las Vegas . The blinding lights and the sleepless nights.

Shot on canon d3500 with 50mm lens and back lit to highlight the smoke.

My love for bikes go way back.
Arizona trails plus bikes just takes it away.

Shot on Sony a6000 with a 28-70mm lens, with
natural lighting.

San-Diego bike rally. The yellow rim and the vibrancy
of the bikers had to be captured.

Shot on Nikon d5300 with a 50mm lens, with natural
lighting.

Rajasthan, India - Majestic with its royal palace and forts. Guarding it even in this time of modernisation.

Shot on Nikon d5300 with a 70-300mm lens, with backlit natural lighting.

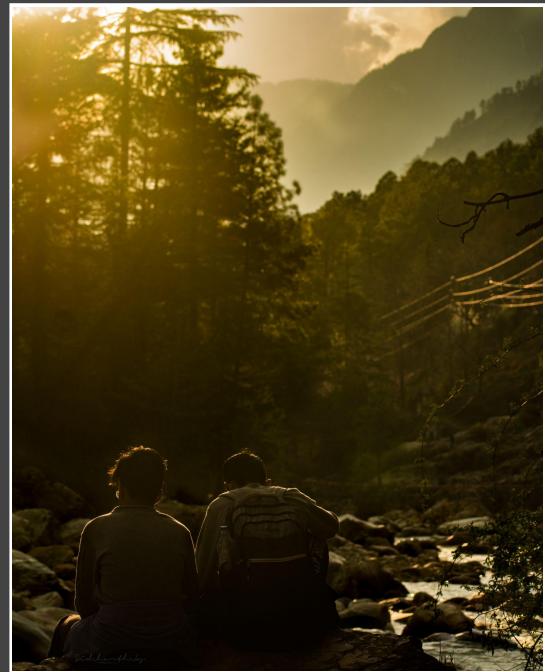

Machine with raw power, on the road to conquer.

Shot on Sony a6000 with a 28-70mm lens, with natural lighting.

Cricket is in the heart of India.

Shot on Nikon d7500 with a 18-140mm lens, with natural lighting.

Manali, India -A short moment of tranquility before a hike.

Shot on Nikon d5300 with a 70-300mm lens, with natural lighting.

The beauty of backwaters and the smile of someone enjoying it.

Shot on Nikon d5300 with a 70-300mm lens, with natural lighting.

As the rain is about to descend. A moment captured while hiking.

Shot on Nikon d3500 with a 70-300mm lens, with natural lighting.

MANY THANKS!

(only used self captured pictures in the portfolio)
